RE: MUR 4749

Dear Mr. Turley:

No action should be taken against me in the aforementioned matter.

I served as the campaign consultant to the Napolitano for Congress Committee (FEC ID C00334706). In that capacity, I had no authority or involvement in the funding of the campaign.

The complaint mentions my name only as a spokesperson for the campaign. That is clearly insufficient for me to be a party in any violation of the FEC Act of 1971

If you have any further questions, please don't hesitate to contact me.

Sincerely,

Harvey A. Englander

West Coast Director
